

**SYABAS DISTRICT: .....  
(EXTERNAL WATER SUPPLY SYSTEM)**

**LETTER FOR TAKE OVER SYSTEM**

Your Ref :

Our ref : Bil ( ) dlm.SYABAS

Date :

(Developer Name )

Dear Sir ,

Subject : (DEVELOPMENT TITLE)

**Taking Over of Reticulation System/Pumping System/Reservoir**

With reference to your letter (EPS 14) dated ..... on the above matter and the water quality inspection visit after flushing works were completed in the presence of representatives from your company, consultant, contractor and SYABAS on ..... is referred.

2. Please be informed that SYABAS in principle has no objection to agree to take over the said reticulation system/pumping system/reservoir from the date of this letter.
3. The defect liability period is fixed at ..... months effective from ..... You are required to repair all defects or damages during the defect liability period.
4. The developer has submitted a bank guarantee amounting to RM..... and any repair cost borne by SYABAS will be deducted from the bank guarantee if repair works are not carried out by developer.
5. The end of defect liability period letter will be issued to the developer after the developer has repaired all defects as notified by SYABAS
6. With this letter the developer can proceed to apply for water meter after the water deposit has been paid.
7. SYABAS in principle has no objection to supply water for the above development and the Local Authority to issue the certificate of fitness.

Thank You.
